Mortgage and Housing History Requirements

No Borrower may be more than 1x30x12 or 0x30x6 on any mortgage or rental payment for a property located in the United States.

All borrowers must document their current housing payment history for the most recent 12 months. If the credit report does not reflect the current housing payment history, the following documentation is required:

- Mortgage and/or HELOC payments:
 - Loan payment history from the servicer or third-party verification service.
 - Verification of mortgage (VOM) from an institutional lender OR most recent 12 months cancelled checks or bank statements
 - Verification of mortgage (VOM) from a private lender OR 12 months cancelled checks or bank statements.
- Owned free and clear:

 - Verification of Rent (VOR) from a private landlord AND most recent 12 months cancelled checks or bank statements
- First time homebuyer living rent free:
 - Only permitted on primary residence transactions

Derogatory Credit

The seasoning requirement for derogatory credit is four years for Bankruptcy, Foreclosure, Short Sale/Deed in lieu at standard eligibility requirements. A waiting period of two years is allowed if the LTV's less than or equal to 70%.

The length of time will be measured based on the below:

- Bankruptcy will be measured by discharge/dismissal date to the Note date
- Foreclosure will be measured by settlement date to the Note date, unless included in a bankruptcy then the discharge date of the bankruptcy to the Note date will be used.
- Short Sale/Deed-in-lieu will be measure by the completion date to the Note date unless included in a bankruptcy then the discharge date of the bankruptcy to the Note date will be used.

Forbearance, loan modifications, or deferrals are treated as a short sale / deed-in-lieu for eligibility and pricing purposes.

Any loan in forbearance or a deferral due to COVID-19 is not considered derogatory credit and is still eligible for purchase by Logan at standard LTV and reserves if one of the following is true:

- The loan is fully reinstated meaning the deferred balance was paid in full and the source of the funds used to pay the deferred balance has been sourced to an allowable asset in accordance with section 8 of these underwriting guidelines, and the borrower has made at a minimum the last 3 months consecutive payments
- The Borrower has exited the forbearance or deferment and has made at least 6 months consecutive payments

Any loan payment history that appears to reflect the above may require additional documentation, such as canceled checks or bank statements to show payments were made
